

# Defensive Driving

**Provider:** Yuut Elitnaurviat

**Length:** 8 Hours

**Cost:** \$60

**Cost Unit:** Cost of the entire program

## Website

<http://www.yuut.org/driver-training/>

Taught using the AAA Driver Improvement Course curriculum, the Defensive Driving Class covers eight hours of classroom material using hands on demonstrations, interactive videos, and an engaging supplementary PowerPoint presentation. Upon the successful completion of the class, students will receive a certificate which can remove 2 points a year from your license or remove a first time traffic conviction with court approval. For non-offenders taking the class, the certificate can get you a discount on your car insurance with your insurance company's approval.
